

Declaration on lump-sum payment in case of retirement in accordance with Item 8.4 of the pension regulations

I would like:

- To take the opportunity to have **all my retirement assets paid out in the form of a one-off lump-sum amount** as specified in the PKG Pension Fund's pension regulations.
- To withdraw CHF _____ as a one-off lump-sum amount.
- To withdraw _____ % of my retirement assets as a lump sum.

I take note of the fact that the lump-sum withdrawal will mean that the relevant regulatory claims will be deemed to have been settled (including those relating to pensioners' children's pensions, spouses' pensions or partners' pensions and orphans' pensions). If purchases were made, the resulting benefits may not be withdrawn from the pension account as a lump sum within the next three years.

I am aware of the fact that this declaration will become irrevocable three months or less before my retirement. The declaration will become invalid if I suffer damage to my health which triggers any pension payments from PKG Pension Fund before I retire.
